

**We're offering our customers some**

American Collectors Insurance is proud to offer a robust and affordable new emergency expense reimbursement plan called **TLC** (Towing & Labor for Collectors). Our TLC Plan is designed to help customers better enjoy the classic driving experience by providing them with an extra layer of protection.

On a basic level, the TLC Plan reimburses policyholders for emergency expenses such as towing, roadside assistance, and lock-out. Premium levels include items tailored specifically for car collectors (see chart at right).

The TLC Plan is available **exclusively** to American Collectors policyholders and is available in three affordable, and commissionable, tiers. Your agency can quote risks with the TLC Plan by logging-on to [www.AmericanCollectors.com](http://www.AmericanCollectors.com). Current policyholders will receive TLC information in their renewal offers.

For more information about the TLC Plan, please contact a licensed product specialist or visit us online.
